“ All my love and prayers Shelly, Ashley and Jess. Your mom's strong spirit will be with you always. Talk with her often and she'll hear. Whenever I see ducks on a beach I think fondly of one summer day on Beaver Island more than 30 years ago, sitting on a beach bench with Marty, both of us laughing as a family of ducks chased after all of you (and Ray) trying to grab the breadcrumbs you were scattering. I loved hearing your mom laugh...
Rest in peace, Marty.
