“ We had the pleasure of meeting Mr Moyer 29 years ago when we bought his dad's house from him. He treated us very well and enjoyed talking with him. Our thoughts and prayers are with his family. Scott and Shelly Budrow.

“ I had the pleasure of checking in on Norm 3 mornings a week. I miss him telling me the eggs were ok...or they weren't quite done. I will miss his smile when I walked thru the door and a hug when I left.....

“ Cathy's dad used to take us road hunting out on the 2-tracks on Sunday afternoons. He would shoot partridges and throw them on my feet in the back just to pick on me. Her mom turned them into the best partridge, biscuits and gravy I ever had. A memory I will always treasure. Kathy Scott Garza
