“ *Adrian, a great friend and neighbor. I was always amazed at how he could repair just about anything and how he was always ready to help a friend. His skills were many, but his generous and kind nature, made him a unique individual. Going Upnorth to the farm, just won't be the same. He will be greatly missed.*

“ *So many fond memories of the best neighbor ever. You will never meet a kinder soul. When Walt was roofing our house Adrian and Jay came over with tools in hand, climbed on the roof and lended a hand, no questions asked. You will be missed. Sending heartfelt condolences to the family. Love you all! April*

“ I will always treasure the memories of numerous deer hunting trips. Adrian is one of the most successful and skilled outdoorsman I have ever met! There were many November mornings when we were sleeping in the basement and were awoken by Adrian’s call “ Daylight in the swamp!!!”

*Sadly missed, but honored with great memories.*

*Love to all - Todd & Sue Moore and families.*
