“ *So sad to hear of Alice passing, I loved working with her at the Hospice Sales and conversations with her here at Midas, she was a gentle, sweet lady. Both Randy and I were out of town over the Labor Day weekend and sorry we miss her service. The family did a wonderful service to honor a wonderful lady that will be missed. Love Randy and Cathy Lucyk*

“ *My memories of Mrs Babcock (or Diane's mom) are of knowing a very sweet lady who cared very well for her family and others. She was always ready with a kind smile and hug and will be a lasting example to me of a faithful, fun-loving follower of Christ. May God bless you all with His comfort and enjoy all the happy memories you have.*

“ My dear cousins, I am so very sorry for your loss. Aunt Alice was such a kind and caring person. My mom was so fond of her little sister! As a child, I remember the beautiful letters she would write to us. Oh how my mom loved when she would visit her when she was in the nursing home. I will miss hearing the sweet voice of my Aunt Alice 😭. You are in our thoughts and prayers. Hugs to all... Robin and Brad Little

“ She touched the lives of many, including me. Am remembering how she helped with children’s classes at the church—and taught some of us to work alongside her. I loved to watch her face when she interacted with the children. So lovely.
