“ *I am so sorry to hear of Ashley's passing. She and I went to elementary school together, and I have fond memories of singing Ace of Base songs on top of the monkey bars with she and Cassie. I can't fathom them both being gone so young. Prayers for all of those who are mourning her and sending extra love to her children.*

“ *I have great memories of caring for Ashley as a baby and watching her determination to get out of her playpen! She loved going to McDonalds with me when she was 5-6 years old, wearing sunglasses and singing to all the songs on the radio. I'll cherish those memories.*
