“ *My mom told me that she named me after Aunt Barb because she sat at the hospital with her while she gave birth to me, so after mom, she was the first to see me. As a family, when us kids were growing up, we spent a lot of time with Aunt Barb & Uncle Jerry. The last time I spoke to Aunt Barb on the phone, one of her nurses came in to her room & Aunt Barb told her whatever she was there for, was going to have to wait because she was on a long distance call with her niece. Before we hung up, she told me 3 or 4 times that she loved me & that was the last thing she said to me. I'll miss you so much, & I love you Aunt Barb.* ”
