“ She was always Aunt Jo to my sister and I. All my favorite memories include her amazing laugh - you couldn't help but join in. So grateful for the pics and video I have of our visit last November. She loved her family fiercely and her work ethic was unmatched. Aunt Jo you touched our lives so profoundly and will be so deeply missed💔

“ Ma Cunningham always welcomed me in to her home with open arms. She also was willing to let me drive her car when she wouldn't even let her own daughter Denise. 😊 So sad that I didn't get to see her my last trip home.. Ma will be truly missed! Soar high with the angels and may you rest in peace.
