Bonnie had a huge heart for her Swans and anything blue. She had quite the collection of both. She made sure she fed anyone that walked through her front door, no one was going to leave hungry. She was known for being an

amazing cook and baker. She enjoyed spending time with her family and friends, cooking for them, traveling, sitting in the summer sun, driving around going to yard sales, watching her game shows, and Tuesday night Bingo.

She will be greatly missed and cherished by everyone she touched.

A memorial celebration of life will be scheduled at a later date.

“ *Bonny will be missed. Such a wonderful person. Bonny and Gabe were wonderful landlords too. She would come over and say "would you kids like to come over and have some dinner with us?" On a regular basis. I could be in the middle of making dinner and I'd just shut it off and say 'sure!' Great food and even better conversation with her and Gabe...at least what I could understand anyhow. I hope this makes you smile as my thoughts of Bonny and Gabe always do for me. Love and Hugs go out to Family and Friends. Pam and Charlie.*
