“ *My prayers for the Family and friends of Big Burke...although I knew Burke for a couple of months...I can honestly say that no matter what he'd always help someone else in need and put his own needs to the side. I not only had the pleasure of meeting and working with Burke, I also has the opportunity to share laughs and good times with him...I know that you are now reunited with your brother and although we lost a friend and loved one. God gained an angel. Rest in Paradise bro...*
