“ *I was blessed too work with Carl for a little over 2 years. He was the first person I met when I started my new job, and he taught me many things. We had many great chats about everything. He will be sorely missed*

“ *I'm so grateful to have known Carl and the Phillips family from church as a child. I spent a lot of time at their house. Carl and I kept in touch over the years. I'm grateful that I got to have dinner with him in Traverse City last June. I was looking forward to meeting Margie and his sons and grandson. I even got a thumbs up on a Facebook Message I sent him the morning that he died. I'm so grateful for that thumbs up message. Knowing that we connected that very day. Little did I know he would be gone only hours later. My most heartfelt sympathies for all who loved Carl.*
