“ Mom, I miss your phone calls every morning, especially if school was closed. I would receive your call early in the morning. I miss going to the beach with you, or you just stopping by to spend time with me and the boys. The card/board games we played together. I miss your smile and laughter. I miss talking to you. You always listened and gave me advice. You mom, were my best friend. I miss you dearly.

“ Hi Jeanie, it's 2023 and february 24 again. I bought you a beautiful card with silver butterflies on it, and it's by mom and dad's urn. Happy birthday, I will never forget you. I am so much happier in my new life now, but sad that I can't share the beautiful country walks and shopping with you. Love you. Kathy

Hi Jeanie it's 2024 and Feb 24 again, I bought a beautiful pair of gold butterfly earrings with purple flowers on them, I wish you were here so I could give them to you for your birthday. I miss our shopping trips and I still think of you all the time. I have improved my life since you are gone, but I miss you when I am walking along the woods alone and the skies are beautiful, because I know we shared our love of nature too. Where I am there are lots of baby deer and turkeys too! And the stores are full of Hello Kitty! More than ever. Love you. Sister, Kathy

“ *Jeanie, I never forgot you. You were like a sparkling star in a warm summer sky. The world is a sadder place without your smiling face.*

“Chanel Jeanie, my sweet sister, my sister soul, has slipped away as quietly as the beautiful butterflies she loved.

*From the time she was a tot , screaming over my crib (and laughing!) she was my "best friend" and a loving friend to so many other people too. Chanel always had time to listen to, laugh with, encourage, and comfort her family and friends. There was not a creature or person who knew her, who did not feel her deep affection and kindness , especially those who were vulnerable. Chanel loved beauty and nature and was one of the most unique people I've ever known. She was an artist, who colored and sketched wonderful fantasy pictures. Chanel Jeanie, I miss your mischievous laugh and the way your face looked lit up with happiness. When you struggled, you overcame so many things because your spirit was strong, and you honored wisdom. It's so hard to be in this world without you here, your gentle and fierce spirit called home too soon. I turn my stunned eyes to the mysterious beauty of the clouds and Sun, where peace , Life and God are promised, profoundly missing and loving you.*
