

Charles C. Hoover

July 21, 1949 - March 11, 2010

Today we remember Charles “Chuck” Hoover of Empire, Michigan, who returned to the Cosmos March 11, 2010. Known simply as “Hoover” to most of his current friends, he was appreciated and known for his laid-back attitude, quick and rollicking humor, and love of the sunshine and water. Hoover was a Master of Qi Gong and Tai Chi, and he practiced at the beach and lead classes frequently. He was also a Reiki Master and a Quantum Touch practitioner, and he was honored to use these to other modalities to help others help themselves. Hoover loved to be outdoors; he spent as much time as he could at the beach or in the Magic Bus parked at one of several scenic overlooks. He also enjoyed fishing and boating. One could find him at the beach for sunset most every evening. Hoover was born to Cleon Clement Hoover and Patricia L. Peabody Hoover on July 21, 1949 in Detroit, MI. He made his living as a salesman, a limo driver and an inn keeper. He is survived by his Beloved, Melodie Joy, of Empire. He was formerly married to Denise Hoover of Woodstick, Illinois, and they are the parents of two extraordinary children, Patrice Hoover of Williams Bay, WI, and “Buck” Hoover of Kenosha, WI. His wealth and happiness laid with them and a legion of close friends. A memorial celebration will be held in Empire in the spring. Memorial contributions benefiting Hoover’s children may be made to: Charles Hoover Memorial Fund, Bank of America, N.A., 118 West 1st Street, Hinsdale, IL 60521 And don’t be surprised if, when you are outdoors this summer, you sense his presence in the sunshine above you... it just might be him, flying

around in the cosmos, Hoovering...Arrangements were made with Wolfe-O'Neill Funeral Home, our family serving yours.
