“ *I can hardly remember when Dave wasn't part of our family. So many good times. Dave was always there for me. Willing to help when help was needed. When we bought the Cabin I was told to leave a To Do List when he came up for a vacation. I thank him for all his hard work. Always offering a helping hand. I will miss him popping over to see what I'm up to. Will miss you greatly. Hugs*

“*Dave was a wonderful brother-in-law to me. He always had a wonderful smile whenever I saw him. When Pete and I had our son, Matt, Dave and Marge would come over a visit him even when we moved to Saline. One of my most treasured memories was the trip the four of us took to Hilton Head, North Carolina. Matt was only 9 months old and we were all singing his favorite song “Going to the Zoo” many times over and over and over again on the ride in the car there and back to Hilton Head Island. Pete and I went to golf one day and when we returned, Marge and Dave both had huge smiles on their face, and couldn’t wait to show us what they taught Matt. He could walk now without holding on. They were so proud! It was one of the best trips of my life, and I am glad Dave shared that vacation with us. I already miss him terribly, but he will live on forever in our hearts. Rest In Peace, Dave, we love you.*”

Dave loved to cook and shared his recipes. He loved a great joke or any joke that made him laugh which made you laugh more. He always pitched in and help when he could. We will miss him.

He did make the best Chili and grilled pork chops when we would all be at the lake in the summer.
