“ I Rembrandt many different and funny memories of time spent with my nephew from our youth. And those are the things that I will keep in my heart. Dan your much to young to be gone but we don't get to make those choices I will love you for ever. But God knows when is the best time for us to leave this world and join His. We don't know why or understand the when or how we are chosen so we morn our loss. But I will rejoice in the fact that your sufferings are over and you are in the Loving arms of our Lord Jesus reunited with family that have been chosen before us. Until we meet again Danny I will carry you in my heart and mind. All my condolences to all the others who's hearts are heavy from your passing. All I can do is pray that the Lord will help us all with our grief.
