“ *The years and years that I got to see Darcy on summer vacations she was and is always laughing and smiling. She was always there to give me a hard time and keep me on my toes. Even though she was a St Louis Cardinals fan and I am a Kansas City Royals fan we always loved talking smack about each others teams! I will miss her always and I know she is with Grandma Katie and Grandpa Stan loving it up there!* ”

“ Darcy I found 13years ago while searching for my cousin Sean. Darcy welcomed me with open arms. I've talked to Darcy on the phone many times and kept in contact over the years. I'm so sad to hear. I have a package for Darcy that includes delicious French vanilla coffee and face cream I'm too late I feel so sad. I especially feel so sad for her children Madison and Kevin cahill. Darcy worked so hard and took excellent care of her children. Rest in peace dear cousin Darcy.
