“ David has loved my sister well. Weird as some stuff might seems to others, I know he loved her. Always such a sweet fella and loved his family (and hers) right till the end.
You will be missed, Davey. But I'll help look after sister. 😊

“ My friend and brother. You and I have so many memories together, some good and some not so good. It is still hard to believe and you were taken from us way too soon but we were there with you. You were such a great person and loved by most. We will all miss you but we will see you again. I love you.
