I miss you grandpa. 💔😞😓😓 The house feels so strange without you here on the couch making sarcastic or silly comments, telling old stories and explaining things to me. I'm really sad that you couldn't enjoy cookies I made and saved for you before you left. I'm glad you not in anymore pain though. But I miss you more than anything. Even when we argued it was just because we were so alike and stubborn. I love you forever and always. 😘❤️😘😓
