“ *I will truly miss my bumblebee! We shared so much laughter and tears throughout the years. She is and always will be the sister of my heart. We watched our children grow up, had grand kids, but she beat me to being a great grandma. Her family always came first especially her kids and grandbabies. She was always so proud of all of them. I miss her more than words can express and I thank her family for letting me be there with them at the end of her journey here and starting her journey in heaven. God bless you all and sending love to you all. Cindy Riegler*
