“ *We were fortunate enough to get to know Don... Don was always working on some project, never giving in to pain, injury, or age. He was always sharing his knowledge, whether historical, political, or mechanical- Don would come to our shop and have coffee and we always enjoyed the many stories of his life. I will remember him for his willingness to teach us and share his skills- Don will be missed.... a true pioneer!*

“ So sorry to read of your lose. Death is an enemy whenever it strikes. The words found at Rev 21:3,4 are a real comfort as it offers a hope for those we have lost to death. My hope is this is a comfort to you as well now and in the months ahead. Please except my sincere sympathy at this time.
