“ *I just learned of Cousin Donna passing. I'm so sorry. We had lost touch for some years after I moved from the farm on Gray Road. I remember stopping to see her when I was working on some genealogy for our extended family and she kindly filled in some blanks on our shared lineage. My condolences to the extended family. “Abramczyks, you are all such wonderful people. I'm praying for your peace of mind and comfort. Sending this poem with love.

Our Lovely Light

*For as long as we can remember, she was there
From the earliest fall, and all the falls thereafter,
She was there to comfort our pain*

*As the seasons changed, she celebrated each one
For us, that meant, we celebrated too*

*All the important things, places, and events,
What would it have been like without her presence?*

*Like a summer day without the sun
A moonlit night without the moon
A birthday, without a cake
A visit, without sweet love*

*She was the center of our universe
The star with immense gravitational pull
Many held together by her loving force
And one, equally, who shared that space*

*The universe does not disintegrate
Stars transform into something else*

*A comet's tail, we'll see time and again
So many lights seem to flicker without end*

*They became, and were not left behind
Beacons and reminders, the cycle of life
The glory and wonder our Creator has made*

A sky eternal, in day or night

Where still, she shines, our lovely light.

“ Aunt Donna was a big part of our childhood. I have many memories of birthdays & trips up north visiting the farm. I've attached a pic of her, Uncle Gene, and our boys on one such occasion.

“ Mr. Abramczyk & Family, I am so sorry to learn of Donna's passing. She was a dear, sweet lady, whom I enjoyed visiting with in past days, be it in person or on the phone. My thoughts and prayers go out to you and your family as you go forward in the days and weeks ahead. This will leave a huge void in your family, but you know she will be in heaven looking over each of you. Enjoy all of your wonderful memories and take one day at time. May God Bless each of you.
