“ To all,I am so sorry to hear of Dorothy's death. She was a very good friend of mine for many years, working at the newspaper and ABC Medical when I went on vacation, and living just down the street from me. I had lost track of her after she moved to TC, and when I got my Christmas card back, I knew she was no longer living alone, but did not know what had happened to her.Dorothy was a remarkable woman, an incredibly stong lady, and I am sure her presence will be missed.Again, my sympathies,Lee Ann Hill
