“ *The last time we saw Edna Mae was at Aunt Forest's 80th birthday party. When my dad, Harlan Green, came to Michigan in 1937 from Ohio after my Mother died, we stayed with Francis and Forest. I was six and Edna Mae was two. I have included a picture of Edna Mae riding on the back of my new tricycle. We are sorry to hear of her passing.*

“ *I remember "Aunt Edna" as a sweet and loving person. Their door (she and "uncle Fay") was always open and coffee was always ready. Rest In Peace, prayers for your family.*
