“ *Dear Johnson and Collini family,*

Bob and I enjoyed your mom and dad very much. Although we seldom saw them, their visits to us in LA were memorable. They stopped several times when traveling back to Michigan from FL.

We were very sad to hear just recently of Betty's death. She was such a loving and kind person. Sad to say now that her nephew Bob joined her in heaven this past September 29th.

Deepest sympathy,

Mary Jo Johnson and family
