“ To the Nolff and Ingersoll Families,

I send my deepest sympathy to Y'All! I knew Betty as a young girl and she was such a dear friend of my sister through high school. We remember your family when you lost Danny. Hadn't seen Betty in years, but remember her as a very dear and sweet person. Remember all the good times and hold those memories close, they will help you through the days and weeks ahead. I will keep you all in my prayers. Blessings to each of you!

Sorry for your loss and God bless you all. Ps. I knew your dad well too. He was her date when we went out. Very nice guy too!!*
