“ Elmer was the sweetest male patient I have ever met. He was humorous, genuine, & sincere. I will forever miss sweet Elmer. He had such a beautiful soul. & He sure LOVED his oatmeal! He enjoyed his time with us. Talked about life, farming, and his Lincoln. He's a picture 💜 Fresh, clean, haircut, shaved up. He was great. I think of him very often. He brought light with him. So fully of life. His spirit was strong. He has a spot in my heart. I won't ever hear "Pardon?" the same. He was a special person.
