“ *We remember Evert well. He was always bringing us beaver meat from his trapps. He was a good neighbor to us. Oh by the way, Mike Fender sends his condolences as well as he is visiting today. We missed his passing as he wasn't here and we've been out of the loop.. God speed Evert. Dick and Linda Radtke*

“ *I think I remember Evert. He's about 15 months older than me. Didn't he live out near Loon Lake during the '50's? I remember someone telling about going fishing with him. They had a rod, reel, all the high tech stuff and didn't get a nibble. Ole Evert with his cane pole couldn't quit catching fish.*
