“ My sympathies to the families of Gale. I worked with her at Kalkaska Memorial Health Center years ago. She was always for friendly and welcoming to a new nurse.

“ I worked with Gale several times over the years. She was an awesome nurse. Her patients trusted her. She had a heart as big as all outdoors and she often helped others. Her laugh was infectious. You could hear her laugh down the hall and it brought a smile to everyone. I will miss her

Mike and I have you all in our thoughts and prayers. I had the pleasure of not only knowing Gale all my life but also worked with her for a time. Truly a compassionate, caring, loyal advocate for the patients, friends and family she so loved. Fierce in her love for those she held the closest. So very sorry.
