“ Gary was a very good friend to me regardless what someone else was saying. I appreciated his friendship a great deal. He understood what I was going thru. Really understood. I was looking forward to hunting with him this year. He will be missed a great deal by me.

What a horrific tragedy this is. Don and I have known him a very long time and have so many memories with him, pam and his girls. Good, great, funny memories. He could be a character. 🤔 So gonna miss him stopping by for a almost weekly visit. U will be so missed. So surreal. Thinking of his family. 🙏❤️🙏

Gary used to come out to my mom and dad's farm and help out, he became family to us and was treated as family as well. I will greatly miss my brother and friend.
