“ Gary was my non blood related family. He had a heart for people and animals. He touched so many lives. He was the sweetest, but had a smart aleck streak a mile long! He was quirky, but he was authentic and a one of a kind gem! Hope your having an awesome family reunion and ride like the wind my brother!

“ Prayers go out to all Gary's family and friends. Gary and I was really good friends back in the day when he resided in Flushing, Michigan. He was exactly one day (few hours) older than I so we shared close birthdays. It was awhile since I seen him and was recently making plans to reconnect. He is in Gods hands now. He will be greatly missed. 🙏

“ Gary was a good hearted man. When I lost my home and had to move I was devastated because I couldn't find a home for my dog. Gary came through for me and I will always love him for that!

Gary was a fb friend because we shared a love of country life, horse and President Trump. I know I will miss his support and cutting remarks when people are disrespecting his country and his president.
