“ *Mary Jean and George Jr, we are so sad about his death, but we know he was a fighter but living in all his pain is not what we want for anyone. He enjoyed life .we always seen each other and laughed for no reason at all. He loved Life and his heart broke when Sandra died. He is up in heaven looking down on us and pointing out the deer for Hunting season. Life will be different now for those that loved him but we must be strong now and carry on and He will walk beside us.*
