Condolences to the family, jr was a funny guy I remember he used to take us in kalkaska around the bend and we were always looking for deer and they were always in groups and he would be shining the light on them then he would say we better turn it off were not supposed to be shining out here, he had a light on the side of his truck, that's how I always got into looking for deer especially in kalkaska. “ *My deepest condolences to Kinda and family. I have many many great memories of uncle Jr he was more of a father to me and shaped my whole life. Uncle Jr and aunt Phyllis was like grand parents to my children. They both definitely made this a better world for alot of people. I am truly grateful to have known them both.*
