“ *Dear Bobby, Deb, and Family, Bob and I were so sad to hear of the passing of your Pop. There's just never a good time to say good-bye to our folks. By the stories you've shared of your Dad, Bobby, it sounds as if he's left behind legacy of love for his family and friends....and that can be quite a comfort. We'll pray for peace in all your hearts as you transition through this difficult time. Godspeed His Love to all of you. Hugs, Bob and Mary Goodheart*

“ *Bob, Cathy and Jim. My heart is breaking for all of you and I know there will be tough times ahead. I am having a hard time with Jims passing also. So many fond memories of the past. Only 16 when I first came into the family and so many years after. That time never leaves you ,it's part of my history. Love and prayers to all of you and know these memories never leave my heart and thoughts.*

“ Sorry we will be unable to attend the services for our Uncle Jim. As a young boy I remember him giving me a ride in his big trucks . It made me very happy and I also remember I wanted to be as tall as my Uncle Jim. Our thoughts and prayers will be with you today.
