“ Uncle Jimmy was a great Uncle always made me feel very special! I was so blessed to be his niece. My only regret was we lived so far away and couldn't visit like I would have liked have liked! He was very generous well loved ! I have very fond memories of him always trying to protect me and I always felt safe! I love the times his twin brother Uncle Johnny and Aunt Betty would order pizza and I didn't like mushrooms and they made me try them on a pepperoni pizza! Yum! I like them now! So many fond memories! He is home with the whole family now! My sweet grandma has all her babies home now! Miss them all! RIP Uncle Jimmy give them all a kiss and hug for me! Praying for Aunt Toni and family!
