“ So many memories swimming through my mind of my sister Joan. One of my most favorite things about her is that she was so friendly and kind. I remember traveling in an airplane to Florida when our father died. I believe she knew and had spoken to nearly everyone on the plane before we landed. She would walk up to a total stranger to compliment them on their hair or an outfit they wore. She left everyone with a smile on their face and often an encouraging hug. She was especially kind to the elderly and anyone with disabilities, always stopping to chat. Joan deeply loved her family and friends.

“ Where do I start? My memories of my beautiful cousin Joan are focused mainly from when we were young. I used to spend a couple of weeks every summer at their home in Suttons Bay. We (Jean,Joan,and myself) used to have so much fun. We also fought and occasionally got in trouble. Memories I will never forget. I love you sooo much Joannie forever.

Your cousin Carol. ❤️❤️❤️❤️❤️❤️❤️❤️

“ Joannie was the *FIRST* person to greet me with a hug and a kiss. She had a huge heart full of love, and loved my mom so much. At least they are together in heaven. The world lost a bright shining light, my heart is broken.
