“ *Christine,*

*I had a vivid dream about you last night, and about your parents' house on Beaverland, and it sent me to the internet to look you up. I saw that Harriet and John both died in 2013 and that, as of that writing, you are living in Coral Springs, Florida.*

*I would like to establish contact with you. I can be reached at [dmacleod@msn.com](mailto:dmacleod@msn.com) or 206-778-8406. I moved to Seattle in 1978 and am still in the Pacific Northwest, which I love.*

*I hope this message reaches you. Jack, if it comes to you, please forward to Christine.*
