Joseph Michael Switek of Fife Lake, Michigan formerly of Wyoming, Michigan lost a brief battle with cancer at his home on March 16, 2022. Joe as he was known to family and friends was born February 8, 1961, to Donald J. and Shirley M. Switek, the youngest of their five boys. He was a 1979 graduate of Godwin Heights Public High School after which he began his career in the commercial roofing industry with several companies and maintained his homestead in Wyoming until relocating to Fife Lake twenty years ago. He did not cut corners and refused to do anything less than a near perfect job.

He is preceded in death by his father, Donald; daughter, Amy; and grandparents Leon and Matilda Switek and John and Florence Beckers. He is survived by his grandson and adopted son, Logan Switek; grandson, Caden Hoffman; mother, Shirley of Wyoming, MI and brothers: Gregory (Judy) of Ironwood, MI; Daniel (Eva) of Grand Rapids, MI; Mark (Sara) of Anaconda MT; and Matthew (Dorothy) Switek of Caledonia, MI; a daughter Teresa Bullard of Tucson, AZ. Also surviving is special friend Ashley Curtis and her son Rhett plus several nieces and nephews and their families.

The Family is grateful for the opportunity to gather for a celebration of Joe's last birthday which included special treats that had become a family tradition. Special thanks are given to the caregivers of Munson Cowell Family Cancer

“ Hey Papa , its been a little bit now. But i miss you so much. My favorite thing to do with you was sit of the couch and watch sports or go to high school football games. Your eyes would light up as if you remembered something from your high school football days. I also always loved going out on the boat and fishing with you. I love and miss you so much.
