“ Keith will be greatly missed!! He was a good friend and was there so many time's in my life for a walk through his garden, he loved flowers and growing them, we watched many sun set's in conversation with some drinks joking with each other and talking about life. He was there many time's when i was down and always had a way to lift me up and make me smile. He loved to talk with his hands and had a great smile. I do believe Aimee Butler has that same smile!!! Sure will miss him!!! I know every time i see the the sunset he will be there!!! Love ya buddy!!! I loved his cooking!!
