“ *Drew was our "go to" person for appliance repairs. When you described what it was doing on the phone he knew immediately what was wrong. He managed to keep some of our appliances running for years even after I had given up. Honest and knowledgeable. He will be missed. Kind thoughts surround you all.*

“ One of the two greatest guys in the world was born five days after me in the same year. We went all the way through school together and had fun. But, one of my friends, Drew L. Bontrager, left the physical world and is on to new and better things. I only have great memories of our friendship and am so happy that Drew was my friend. He will be greatly missed but is with our Lord now. The Lord makes a home for us in Heaven and Drew has taken his place with Him. I want to express my sincere thanks to Drew for his friendship, humor, and genuine caring for others. He will be missed. I do hope that there is golf in Heaven. The last time I saw him Drew, Dwen, myself, and an additional Bontrager played 18 holes of golf. Either Drew was pretty bad at the sport or he let me win. Knowing his personality and kindness, he let me win. I will miss you my friend.

“ I am sorry to hear of Drew's death. I knew Drew when he was a teenager and would travel with his brothers to the Upper Peninsula of Michigan to visit, attend camp, and be silly. The small group of us in the UP grew fond of them and it was always something to look forward to when the Bontrager Boys were driving up from Kalkaska. I have not seen Drew since I was 18 and left Michigan and the ice and cold and snow permanently. As I peruse the notes left here and Drew's Facebook page, I see he remained as I knew him in his youth--kind, funny with a sarcastic edge, friendly to all, and youthful. :) Always youthful. I want to express my condolences to Drew's family and especially to Dwen. I am happy for you [as I Facebook stalked you] that the two of you remained such good friends and maintained the competitive spirit you had when you were young. You are all in my thoughts.

“ I am so sad to hear of Drew's passing. He was my son's first bus driver. He was so young, only three, getting on the bus at 630 for the ride into Traverse City to be in an AI pre-school classroom at Cherry Knoll. I was a mess putting my baby on that bus the first day even though he had an aide. Drew must have seen it and before he closed the door, he smiled and told me not to worry, that they would get him there and back home safely. I had the pleasure of working with Drew at KPS when I volunteered at Birch Street Elementary. He and Dwen were always so much help and really knew their jobs. They were fun to be around, too. I send peace and love to all who loved him.

“ My thoughts and prayers are with the whole Bontrager family. I had only met Drew a couple of times but I know he was a Godly man strong in his faith who would do anything for anyone. Just as all the Bontragers would. This family is a large close knit family who I know will get through this together. My heart broke when Monica told me about his cancer just a couple weeks ago. God bless all of you. Take comfort in knowing he now walks with Jesus and he is free of all pain and sickness. Love you all!

“ Drew was a strong man of faith and I am honored to have known him. When we first arrived at Coldsprings Christian Fellowship Drew and Michelle made it a point to reach out and get to know my husband and I better. Being new to Kalkaska and not knowing many people he was one of the first people I really got to know at my new church, and that was by his doing. I'm saddened we were never able to take that mission trip or cruise with him and Michelle. Of course I'll never forget the overheard conversations with my husband, all his ideas about marriage and the "men's group". It's been an honor to fight the good fight alongside Drew, watching his courage, strength and faith as he battled cancer. He will be greatly missed.

“ *My deepest sympathies to Michelle and all the family. A special hug from Drew I'll never forget. A gentle, loving, fun soul. Made my friend so happy. I will always be grateful for that. So sad but knowing one day we will all shout the victory and be together keeps us down here going and filled with hope.*
