“ *Lester was one of a kind.If he was your buddy he would do anything in the world for you.He worked in the Northern Michigan Oilfields .I used to have to go to his office & get ticket's signed,so I got to see Les at least twice a month.But that's not where I met Les,it was on the softball fields behind Vivians he wasn't the biggest guy on the field by no means but he had a heart as big as anyone out there .We would play ball all summer the n tell each other who was gona win the next summer all winter.I considered Les a friend & will miss seeing him,but he is in a better place with no pain.So Lester until we meet again & save me a spot on your ball team till I get there in heaven with you. “ *Sorry to learn of Les's passing. I did not know him well, but met him through a great mutual friend of ours, Mr. Winfield ""Windy"" Hansen. I can just imagine the reunion those two are having now. May they both rest in peace. God Bless!*

“ So sorry that Les has left us, the pain he had lived with is gone and for that I am happy so now we have memories. One that brings a smile to me is the Hansen Thanksgivings and Christmas dinners. Les loved those family dinners. He would load up with leftovers and the pies! Sometimes the whole pie! That makes me smile. Well Les will be missed by us all. Hugs and love to his family.
