“ *Uncle Lynn will always have that special place in my brother and I's hearts. We always enjoyed going to visit him while on snowmobile trips or even for just a Kentucky Fried Chicken Dinnern and a ride on the boat. Another who will miss him greatly is my Dad, Robert Brownlee. I know, like many, that he was very close to him and loved him dearly. Uncle Lynn you will be missed greatly. We will pray for the best of wishes to you in your new adventures that God has given you. With Love From Your Great Great Niece, Heather Brownlee.*

“ Uncle Lynn will always be remembered by me for the trips we used to take north to Starvation Lake, when I was a teenager. We always had something to do, dig septic holes, build a well house, fish, wash his Buick, drive it to dry it off, rewash it because it got dirty. He will be missed as my uncle, friend and fellow "old baldy hunter" Give my warmest sympathy to Aunt Jean. All my prayers are with you at this time. Rich Brownlee
