

Mary K. Thomas

April 9, 1932 - July 11, 2010

Mary Katherine Thomas (4/09/1932 - 7/10/2010), was born to Joseph and Alwine (Evers) Janssen. She attended school in Utica and graduated from Utica High School in 1950. After graduation she was employed at the Army Tank Plant where she worked until she married Jack Thomas who she met at work. Mary and Jack married in May 1955 and moved to their first home in Oak Park. It was that location where they had had their children, Jack Edmond Thomas III in 1957 and Susan Mary Thomas in 1959. The family moved to Sterling Heights until 1983 when they moved to Kalkaska. Mary was a devoted and loving wife and mother and grandmother. Her friends were friends for life. She never forgot a birthday. Everyone was her "best" friend and she meant it. Mary required very little, she was generous in both her time and efforts. Her children and grandchildren were her greatest concern and she made many sacrifices to insure their pleasure. Mary made friends easily. She would become involved in conversation with nearly everyone she encountered and listened intently. Later she would remember names, places, and stories she had encountered in her conversations.
