“ *So sorry for your loss, Mike was the most devoted family man I have ever met. Always so very patient with all the softball girls and a man who loved his tank tops. All happy memories when I think of him. I hope you someday find comfort in your memories and love you shared, Karen, Angel and Natasha.*

“ You Never said goodbye: You never said I'm leaving, You never said goodbye. You were gone before we knew it, and only God knows why. A million times we needed you, a million times we cried. If love alone could have saved you, You never would have died. In life we loved you dearly, in death we love you still. In our hearts you hold a place, that no one else could fill. It broke our hearts to lose you, but you didn't go alone. For a part of each of us went with you, the day God took you home. - Unknown -
