“ *My dad was an amazing father, brother, son, uncle, and person. He worked hard for everything he had. Anytime anyone needed help or someone to just listen my dad was there. He was there anytime I needed him. He loved my kids so much! It always made his day spending time with them. My kids adored him as well. There will be a huge emptiness in my heart that will never be filled. Dad, you know I love you. Ill see you around.*
