“ *Mike was so kind hearted and gentle. He loved all animals, and was always showing me pictures of Lucy and the cats. His whole face would light up when I'd bring a puppy to visit.*

AN

I'll miss Facebooking my dear friend Mike (Mook) Harlan. His Mom and Dad always referred to Mike by that nickname back in the mid 60's when we hung out together. We were close friends and hung out almost daley . We lived a block apart. Mike on Washburn, me on Kentucky. Great memories, we were both big Redwing hockey fans!! I knew something was wrong when Mike wasn't answering my messages on Facebook. RIP dear friend.
