

Michael Kilmury

November 27, 1953 - November 29, 2020

Michael loved nature. Anything from waterfowl to deer. Music was a passion he had both as a D.J at WNMC for 10 years and an avid collector. Michael had an appreciation for antiques as his soul was older than anyone really knew.

Michael served as a sexton on Old Mission Peninsula where he grew up and raised his family. Michael had many good friends and family always tipped the bill of his hat for the females or anyone he was meeting for the first time.

Michael was preceded in death by his parents James F and Josephine, and older siblings Mary and Timothy. Michael was survived by his children, James M and Shanna and their mother Debrah Anne, sister, Michelle (Abrego) and her husband Carl, of Ann Arbor, niece Laura Zann, and grandchildren Jaynna and Cameron. A memorial will be at a later date.

Cremation arrangements are provided by Wolfe-O'Neill Funeral Home, our family serving yours.
