

Micheal Robert Henriët

March 18, 1977 - December 10, 2018

Micheal Robert Henriët, 41, of Kalkaska passed away on December 10, 2018. He was born on March 18, 1977 in Traverse City to Leon and Lori (Jennings) Henriët.

Mike was known for making everyone around him laugh, and he loved doing it. He was always able to make light of any situation that was in front of him. Mike loved his family and his children. He loved kids and was often a hero to people who needed to be loved. Mike was the kind of person that anyone could turn to for whatever they needed. From the day Mike learned to talk everyone loved him or they couldn't stand to be around him. He would have either pushed your buttons or made you laugh or even both depending on the person. But one thing is for sure, if you met Mike, you remembered him.

He deeply appreciated the loyalty of dogs and would love to adopt older dogs to give them a home. Mike was a very creative and artistic person. He loved fashion, art, his friends, and was so proud to own a motorcycle. He enjoyed long conversations, sometimes playing the antagonist. Mike was happy with creative criticism if nothing more than to engage in a longer conversation. We will all miss the conversations with Mike or simply being entertained by him.

Mike is survived by his parents, Leon and Lori Henriët of Kalkaska; his children, Taylor Henriët of Rapid City and Hudson Henriët of Traverse City; siblings, Leon "Jr." Henriët of Reno, NV, Christopher (Brenda) Henriët of Kalkaska, and Akalia "Cali" Henriët of Kalkaska; his girlfriend, Alicia Dalka of

Bear Lake; nephews, Devin and Corbin; nieces, Grecia, Ashleyy, Stacey, and Britney; the mother of his children, Kelly Renshaw of Kingsley ; and all those who knew him.

Please join the family in sharing memories of Mike for a visitation on Thursday, December 13, 2018 from 3:00 pm to 9:00 pm at Wolfe-O'Neill Funeral Home, 106 S. Cherry St. Kalkaska, MI 49646. “ My thoughts and prayers go out to Mikes Family. I so looked forward to walking into Dingmans and seeing Mike. He was one of the most brutally honest human beings I knew. Mike always made me and so many other people smile constantly. You never knew what was going to come out of his mouth but no matter what it was you knew he was a true friend. As a snowmobile trail groomer for Kalkaska County I interacted with Mike often. Whether it was rolling into Dingmans at midnight on a Friday to take a break or simply holding one of our meetings there on a Sunday afternoon, you knew Mike always remembered your name and he seemed genuinely happy to see you. Mike will be greatly missed and I know god has a special place for him.
RIP sportster Mike you were loved by many.

“ My son & I met Mike in Dingman's a few years ago. He hadn't begun to bartend there yet at the time. He was a patron sitting the bar and enjoying himself while having a few drinks. Mike was very articulate and his conversations were always tinged with humor and sarcasm. As the months and years passed, it became apparent that Mike was not a happy person. He only seemed to relax and enjoy himself when he was drinking. My son and I were in Dingman's a couple months ago when Mike came in with a friend. He had been drinking and was in a very friendly mood. He told us how much he enjoyed seeing us and hugged us both. That is the memory we will try to keep with us forever.

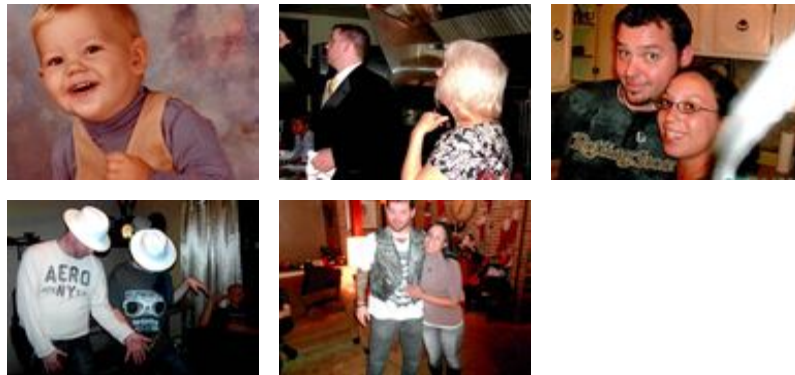

Rest in peace, Mike.

“ *I had the pleasure of knowing a ninth grade Michael and watching him grow to graduate in the class of 1995. He was a terrific student to have in any classroom, but in English class his sense of humor and even-handedness shone. In a class of many outstanding people, Mike stood out even farther. I looked forward to seeing him every day. The world is diminished by his loss, and I am saddened to lose one of "my" boys. Gail Trill*

“ There are endless memories I of Mike, from him and Leon Jr. throwing eggs and mashed potatoes all over the kitchen and the dog when they were very young, Leon was angry, and kicked me outta the house repeatedly because I was laughing so hard each time I. entered. Laughs thru out the years, even a few deep personal conversations. I loved Every single minute I spent with him. He helped me design my tatoo honoring my parents, and was with me thru the whole painstaking process, And when it was complete, I refused to look at it until Mike was by my side to hold my hand so we could see it together for the first time. Having him in the family has enriched my life and now I have nothing but happy memories of him. Loved when he called me Aunt Angie, I loved him dearly and we said that to each other often. I wish I could have taken all his pain upon myself and he would still be here enriching the lives of all who came in contact with him. I wish he would've reached out , a million + one people would've been there to help him. I will always love you beyond words my dear sweet nephew. But will always have memories to make me smile.
