“ Soo many memories with dad. He was such an awesome person, one of a kind.

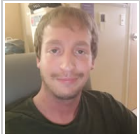

He loved Johnny cash and George straight! He loved to “mess around” on the guitar and sing old country music. He was my dad for almost 15 years. There’s not a day that will go by that I won’t think of him and miss him. He was the best other dad I could have ever had.

Rest in paradise dad

Love your other daughter.

“ My dad is the coolest person I have ever met . He could literally do anything he wanted , he was a jack of all trades . He chose to be a mechanic most his life . He had to be working with his hands.He loved spending time outdoors ,hunting,fishing, and trapping. He could stay in the woods for days and just enjoy the beauty and sounds that only mother nature brings . But most of all he loves his family very much and he was not just my father he is my best friend ! I love you so much dad tell everyone up in heaven we said hello
