“ *Nicole was my best and only friend I needed while I lived in Michigan. She was a ray of sunshine and I still remember her so fondly 25 Years later even though we did not keep in touch. We had so many laughs. I'm so sorry 💔*

“ Nicole you are truly one of a kind. A loving excellent mother and someone that I could talk with or joke about anything. A person that no matter what came out of your mouth it was funny. Your life was cut far too short, but you knew how to burn as bright as possible. We are all going to miss You so much. Rest in peace Nicole. We love You.

“ *Nobody could make you laugh like Nicole. Funny dances, impressions of others and storytelling were her medium, and she was the artist. She also had the uncanny ability to make those around her passionate about her passions. Whether it was love of subversive cross stitch and skinny British dudes or disdain for 'the fireman', she could rally a crowd. She forever marked my heart, and will be forever missed. Sending love to everyone feeling this tremendous loss.*
