

## Nola Sue Greenman

July 13, 1946 - July 13, 1946

Nola Sue Greenman was born July 13, 1946 in Grayling, Michigan to Glen (Bud) Greenman and Eleanor Florence (Inman) Greenman. Nola was raised in Kalkaska and attended Kalkaska Public Schools. Nola graduated from Kalkaska High School in 1964. Nola attended Great Lakes Bible College for four years and she attended Northwestern Michigan College. Nola became a Licensed Practical Nurse and worked at the Grand Traverse Osteopathic Hospital in Traverse City. And it was with great pride that Nola went back to school and became a registered nurse. Nola's nursing career lead her to be employed in several Northern Michigan hospitals. Nola was accomplished as a cardiac care nurse, she enjoyed private duty nursing, she was a very good OB nurse and she gave great care to hospice patients and to anyone that need someone to listen, or needed help. Nola was so caring that if she was driving and saw a turtle in the road, she was so concerned for the turtle's well being that she would stop and move the turtle from the road. On a regular basis, Nola brought injured critters home and nursed them back to health. About six years ago Nola moved back to Kalkaska. She spoke with everyone that passed her house. She knew every family, every kid, and the name of every dog in the neighborhood. Nola passed away on July 23, 2009 at her home after struggling with difficult health issues. She was preceded in death by her dearly loved father, Glen (Bud) Greenman in 1983. Also preceding her were her grandparents, Ted and Mollie (Hagar) Inman and her grandmother, Clara Greenman. Nola is survived by her mother, Eleanor F.

Greenman; her sister, Lynette E. Neihardt (husband, Mike), as well as her brother Brian Glen Greenman (wife, Patty). Also surviving are six nieces and nephews, Cristine Huffman, Budd, Nicole, April, Marty, John, and Tyler; one step-niece, Alison; and one grandniece, Lauren. Nola's sense of adventure, her generous spirit, her contagious laughter, and her devotion to her friends and family will be greatly missed.
