“ *The first time I met Patti was when my first husband and I moved into a house in South Boardman. We were moving in and someone knocked on the door. I opened it to find this woman I had never met before with a plate of cookies and said, "Welcome to the neighborhood ." From that point on we became fast friends with her being my best friend for almost 41 years. I will miss her greatly but also have so many memories of our friendship together.*
